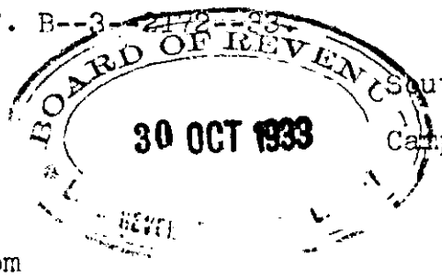
Ref. B--3--2172--33.



South Kanara Collector's Office,
Camp: Hosdrug, dated 25th October 1933.

From

E. M. Gawne, Esq, I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue & Settlement,
Madras.

Sir,

Alienation-- Land, revenue and buildings--Mangalore Taluk--Bantwal Town--S. No. 142/1A--63 cents--Taluk Board school etc. --application--submitted.

Ref: B. P. Mis. No. 144, L. R. & Settlement dated 16th January 1933.

As directed in the Proceedings quoted above, I now renew the alienation proposals regarding the old Dy. Tahsildar's office and the Sub Registrar's office at Buntwal. The buildings as soon as they were vacated have been allowed to be used by the Taluk Board, Mangalore, the Dy. Tahsildar's office for the school and the Sub Registrar's office as an out-patients' ward of the Taluk Board hospital.

2. The particulars of the buildings and their value have already been reported in this office letter Ref. A--6--11892-31 dated 2nd August 1932 in reply to Board's reference No. E. 563-32-1 L. R. & Settlement dated 10th February 1933.

3. The value of the tree-growth on the land as previously estimated was Rs.10-1-8. It is now actually found to be Rs.11-2-4. The Taluk Board, Mangalore, has remitted the difference viz. Rs.1-0-8 into the Mangalore Sub treasury on 17th October 1933.

4. The Taluk Board, Mangalore, has already agreed to abide by the conditions of alienation --please see para 5 of the

letter referred to above.

5. Eye-sketches have already been submitted. I now enclose two copies of a sketch showing the subdivisions proposed to be alienated for the different purposes.

6. As there is no other spare Government building in Buntwal nor a village chavadi, I propose to allot two rooms of the Dy. Tahsildar's office for the location of the Buntwal village panchayat court. I enclose a rough sketch of the building. These rooms which are at the north western corner of the building are noted as "store room" and "Station House Officer's office" and are not required for the school. The Taluk Board President has agreed to the proposal. The reservation of the two rooms for the purpose of the Panchayat Court may be included in the conditions of alienation.

Some alterations are necessary to make the rooms suitable for the Court. I have called for an estimate of the cost of the alterations. When they are carried out, the panchayat court will hold its sittings there.

7. An application in the prescribed form for the alienation of land revenue in respect of the total extent except the site covered by the midwife's quarters is submitted. A revised application for the alienation of land is also submitted as there is some variation in the market value between the previous and the present estimate. The land is registered as poramboke (kacheri) in the revenue accounts.

Your obedient servant,

Collector.

The Secretary to the Board,

Sir,

Alienation - Land - Karkala Taluk - Bantwal village - S.No. 142-1A2 - Old Sub-Registrar's office premises for the Health Inspector's office - alteration of conditions - proceedings.

Refce: G.O.Ms.No. 2? Rev. dated 4-1-40 communicated in B.T. Mis. No. 84 dated 8-1-40.

S.No. 142/1A2 of Bantwal village, Karkala taluk, measuring 0.25 acre with the old Sub-Registrar's office building existing thereon was granted by the said Government to the defunct Taluk Board, Karkala, for the purpose of a hospital. In 1937, the President, Distrct Board in charge of the building since the abolition of the Taluk Boards proposed certain structural alterations to the same with a view to convert it into an out-patient ward. This was agreed to in this office Proceedings B.Dis. 69-37 dated 9-6-38. Before the changes proposed were effected, however, the building itself was dropped. The building is now being used as stores room of the hospital.

2. The President now proposes to use a portion of the building for the office of the Health Inspector whose head-quarters has been shifted from Karkala only to Bantwal. The President says that he has no other suitable building to accommodate the Health Inspector. He, therefore, requests that the conditions of alienation may be suitably altered so as to be may be permitted to make certain structural changes necessary to suit the aforesaid purpose. I enclose a copy of the resolution of the District Board consenting to this

any changes in the conditions of alienation that may be made.

3. I see no objection to the above proposal. I recommend that the Board may be pleased to address Government to modify the orders in the G.O. quoted above, in so far as it relates to S.No. 142/1A2 so as to permit the use of a portion of the building now used as the store room of the Hospital for the Health Inspector's office.
